Subject: Re: D4854 Part marking

Yes marking with ink is permissible for those parts

Regards,
Harvey

D4854 ,DWG CALLs for engraving.

We would use a permanent marker.
JL

Subject: D4854 Part marking

Hi Harvey,

Since we are waiting in the new extrusion for these, we are currently making these by hand on the manual mill. QC is wondering if it would be acceptable to use a marker for these instead of engraving?

Let me know,
JL
